

CM01

Video Camera / Digital Recorder Adapter

MICROPHONE ACCESSORIES

FEATURES AND BENEFITS

Now every band with a video camera and mic stand can create professional videos of their live performances! Attach this innovative adapter to any 5/8" 27-threaded mic stand/boom to support a video camera or digital recorder with standard 1/4" threaded female inserts. Can also be used for conference/presentation recording, school play/concert recording or even as a classroom projector. The adapter's ball-head allows for independent pan and tilt with 360° pan movement and 180° tilt.

Adapter with 5/8" -27 threads.
Friction locking angle adjustment.

Rubber padding protects the bottom of your camera.

mounted on a boom

Stereo & Video Recording on One Mic Stand!

MY550: Mic Extension Bar
Add the MY550 and two CM01's for stereo and video recording on one mic stand!

Multiple Applications!

The universal adapter piece fits most camera/video cameras, handheld recorders and even document cameras for classroom applications!
